To All Boland Clubs

## **BOLAND BOWLS TEAMS FOR 2024 INTER DISTRICT TOURNAMENT**

We have pleasure in advising you of the players selected to represent Boland Bowls in the 2024 Inter Districts Tournament at various venues from 04 March 2024 to 08 March 2024. Congratulations to the players selected to represent Boland Bowls we wish them all the best for the tournament, and we know they will make Boland proud of their efforts and team spirit. To those whose names are not on the list please do not be disheartened. The selectors have done their best and we ask you to graciously accept their selections.

Players must be available for squad practices on 22 October 2023 and 19 November 2023 in Worcester.

As usual, the selectors had a difficult task of choosing the players to be included in the interdistrict teams. There are cases where previous interdistrict players were not selected. There were also a few very marginal cases where good players did not make it. While this is disappointing to the player, it was done in the best effort of striking a balance between a team with the best chance to succeed and do well, and the need to include players with potential for growth.

The teams we have announced will now proceed with further skills development including building a strong team capable of handling the high stress levels inherent in the interdistrict games.

We urge those who did not make the cut not to see this as a rejection but rather as an opportunity to keep on working to enhance their skills. Please make use of the district coaches in your region to assist you in this. They are only too willing to assist.

We want to thank all the players and selectors who were involved and gave willingly of their time and expense, to get to this stage.
