With only an hour's drive from Cape Town and having the best medical facilities and the Mountain Mill Mall for the ladies it should be a town to consider for retirement.

It is an experience to drive through this town owing to its amazing scenery, the mountain views are to die for. How can I leave out the wine part, the district is called the Cape Winelands for a reason. There are numerous vineyards to visit throughout the district, in Robertson, Ashton and Worcester, to name a few.
