REPORT FROM THE ACCOUNTING OFFICER TO WEST COAST BOWLS DISTRICT

This financial report is the responsibility of the executive committee. As treasurer of the West Coast Bowls District, I have prepared the financial statements set out on pages 4 to 6.

REPORT

It is the organisation's decision to compile the financial statements according to the accounting policies set out in the notes to the financial statements.

The West Coast Bowls District (WCBD) received an income of R 12 827 for the past financial year made up mostly of the financial assistance of R 8 387 by Boland Bowls District towards operation expenses.

Operating expenditures excluding the award of sponsored competition prize money, amounted to R1 483. However, certain operating expenditures were incurred as part of the bowls development activities of the district and were recovered from the Development Fund (note 2)

This resulted in a net operating surplus of R 8 344 for the year (note 3)

The WCBD is in a sound financial position and has sufficient cash available to meet operating expenses for the coming year. However, future development expenditures can only be incurred and met from new donor funding in the form of governmental grants or non-governmental donations.

At year-end, money available for development amounted to R 4 459. All the funding made available by the Western Cape Government was expended and used for the purposes specified by the grantor.
