REF: Controlling Body during competitions

Controlling Body - Boland or Regional Competitions

The Controlling Body is the body that takes immediate control over the Conditions of Play and the green on which the competition will be played, and the order of priority is as follows:

- A representative of Boland Bowls
- A representative of the Region i.e., Overberg, Winelands or West Coast
- A representative of the club at which the competition is being played on and should preferably be one of the following:
 - Match Secretary – whether permanent or appointed for the day or
 - Club President or
 - A club member who has completed an Umpire's course or
 - A club member who has completed a Marker's course or
 - An experienced member of the hosting club

In addition to having a good understanding of the Conditions of Play of the particular competition, the Controlling Body must:

- Have a good working knowledge of the Laws of the Sport of Bowls and have a copy same on hand to use as a reference guide should the need arise
- Be in the position, should circumstances dictate, to implement the Boland Policy on Inclement Weather Conditions
- Be in the position, should the need arise prior to the commencement of the competition, with the consent of the Boland Match Secretary, reduce the number of ends in the competition
- Be in the position, should the need arise, with the consent of the Boland Match Secretary, reduce the number of days play depending on the number of entries for that competition.

Yours sincerely

Charmaine Mostert
